

STARTING AND OPERATING
BUSINESS
IN BOSNIA AND HERZEGOVINA

Foreword

The economy of Bosnia and Herzegovina offers strong human and resources base, long industrial tradition, as well as favourable business environment, which enable sustainable and profitable investment. B&H's economy is offering potential investors significant opportunities of penetration into a wider regional market and of running their business on the world scale, since B&H is the signatory of the Central European Free Trade Agreement (CEFTA), which provides free access to this consumer market with 50 million people. Bosnia and Herzegovina also has free trade agreements with the European Free Trade Association (EFTA) countries of Iceland, Liechtenstein, Norway

and Switzerland and with the Republic of Turkey, as well as preferential export regimes with the European Union, USA, New Zealand, Switzerland, Norway, Japan, Russia, Kazakhstan, Belarus, Canada, Australia and Iran. Therefore, starting a business in Bosnia and Herzegovina means the opportunity of exporting to a market of over 500 million people with significant custom benefits!

B&H has become a great location to invest in, with numerous investment opportunities in various sectors. Law on the Policy of Foreign Direct Investments of Bosnia and Herzegovina ensures the national treatment of foreign investors and foreign investors enjoy the same property rights in respect to real estate as B&H legal entities. Also, Bosnia and Herzegovina has one of the lowest rates of VAT (17%) in the region and Europe, as well as the very acceptable corporate tax rates that are also among the lowest in the region and Europe (10%). Bosnia and Herzegovina has made considerable progress in 2015. and Council of Ministers have encouraged private initiative, the necessary reforms are well under way, the deregulation procedure is also happening, and as a result we are seeing the development of a competitive, functional market. The level of foreign investment is far below the needs and opportunities of the country, but Bosnia and Herzegovina has some competitive advantages which should encourage investors to come here.

We hope that you will decide to start and successfully manage to implement your business in Bosnia and Herzegovina and we are here to assist you in achieving this.

Deputy Chairman of the Council of Ministers of B&H
Minister of Foreign Trade and Economic Relations B&H
Mr. Mirko Šarović

Dear investors,

Foreign Investment Promotion Agency of Bosnia and Herzegovina (FIPA) is a state agency established by the Council of Ministers of B&H and it is the leading governmental organization responsible for promotion and attraction of foreign direct investment in Bosna and Herze-govina.

Our mission is to attract and maximize the flow of foreign direct investments and encourage existing investors to further expand and develop their businesses in Bosna and Herzegovina.

FIPA supports investors every step of the way: from choosing a location and during the process of business registration to brokering contacts and providing business promotion and aftercare services.

If you contact us, we will provide you with the best consultation and with the information on investment-related indicators, business environment, legal framework, attractive sectors, available investment projects and locations.

Among some of our other key activities, we provide aftercare services to existing investors. Some of very specific goal of aftercare is to identify any administrative, regulatory or operational issues which are affecting specific investors. The task is not just to collect information on these issues but to also offer assistance in solving any of these issues through the collaborative network of all government levels in B&H.

I believe this brochure will help you to get better acquainted with the business environment and economic potentials of B&H.

I would like to invite you to contact our expert staff committed to assisting you and your business interests at the most efficient way.

Thank you for choosing Bosnia and Herzegovina as your next investment destination!

Director of FIPA
Mr. Gordan Milinić

ESTABLISHMENT OF
BUSINESS
IN BOSNIA AND HERZEGOVINA

LEGAL FRAMEWORK

The legal framework for foreign investment in Bosnia and Herzegovina is structured in such manner that it makes no difference between domestic and foreign investment.

When a foreign investor establishes or participates in the establishment of a company in Bosnia and Herzegovina, she/he acquires rights and assumes the obligations under the same conditions and has the same status as domestic investors.

In this brochure you will find basic information which is important to you as a foreign investor, on the occasion of starting a business in Bosnia and Herzegovina, as well as detailed instructions about registration and the establishment of the company in Bosnia and Herzegovina.

This brochure also provides an overview of the legal forms of the business entities permitted in Bosnia and Herzegovina and regulations applying to their establishment.

REGISTRATION OF BUSINESS ENTITY

The business establishment, operation, management and termination of business in Bosnia and Herzegovina is regulated by the following laws:

In the Federation of Bosnia and Herzegovina:

Law on Companies of FB&H (Official Gazette of FB&H No. 81/15)

In the Republic of Srpska:

Law on Companies of RS (Official Gazette of RS No. 127/08, 58/09 and 100/11 and 67/13)

In Brčko District

- Cleansed text of the Law on Enterprises of BD (Official Gazette of BD No. 49/11)

According to the above mentioned laws, a company is a legal entity, which independently performs business activities with the aim of earning profit.

Company can be established by:

- Domestic natural and legal entities
- Foreign natural and legal entities
- Fomestic and foreign natural and legal entities

The company laws of all three administrative units in Bosnia and Herzegovina distinguishes the following types of companies:

- Unlimited Joint Liability Company (d.n.o./o.d./UnLtd)
- Limited Liability Company (d.o.o./Ltd)
- Limited Partnership (k.d./LP)
- Joint-Stock Company (d.d. /a.d/ JSC)

Running a business activity, establishing a business entity requires registration. Registration of the business entity is a procedure within the competent authorities providing an authorization to perform certain activities in manner and under conditions prescribed by law. The procedure of registration of the business entity in Bosnia and Herzegovina is regulated by:

- Framework Law on Registration of Business Entities in B&H (Official Gazette of B&H No. 42/04),
- Law on Registration of Business Entities of FB&H (Official Gazette of FB&H No. 27/05, 68/05, 43/09 and 63/14),
- Law on Registration of Business Entities of RS (Official Gazette of RS No. 67/13 and 15/16),
- Law on Registration of Business Entities of Brčko District (Official Gazette of BD No. 15/05).

The Framework Law on Registration of Business Entities in Bosnia and Herzegovina is structured in such manner to determine fast and uniformed procedure of registration of business entities at the territory of Bosnia and Herzegovina, and is therefore applicable to business entities established in Bosnia and Herzegovina by both domestic and foreign legal and natural persons.
